

Quality Policy

We at:

- Nestlé SAR are committed to supply products that are safe and comply with applicable regulatory requirements that **Guarantee Product Safety and Full Compliance**.
- Nestlé SAR are committed to offering products and services to our customers and consumers that meet their needs, have their preference and provide sound nutrition to achieve their **Preference and Consistency**.
- Nestlé SAR always strive for **Zero Defect and No Waste Attitude** in everything we do by adopting a continuous improvement culture.
- Nestlé SAR, across all functions in value chain, are fully responsible for observing mandatory principles, norms and instructions for maintaining agreed quality standards and constantly improving them. We believe Quality is **Everybody's Commitment**.

“Quality is key for living by our purpose of **Enhancing Quality of life and contributing to a healthier future** in Nestlé SAR. Each one of us has to own and drive Quality in our processes within the above policy framework.”
